## Champagne Joseph Perrier

We are extremely happy with this fantastic range of wines from an outstanding family run domaine. Established in 1825, the house has continued to produce fine wines with quality rather than quantity the main stipulation. Highly praised by the wine writer Tom Stevenson for their mellow fruity style. This year we have also included Bollinger in our list as we have been long term fans of its rich, ample style.

# Port

Ramos Pinto Port Wines are prepared in the vinification centre of Quinta do Bom Retiro. In the case of LBV and Vintage, the grapes are trodden in the traditional lagar as this age-old technique allows for the juice of the fruit to be extracted more efficiently and less violently. After having concluded the first steps of vinification, the wines are transported to the historical wine cellars at Vila Nova de Gaia, where they undergo a long ageing process.

Ramos Pinto are regarded as the leading exponents of tawny Port.

				50ml
		<b>Ramos Pinto, Late Bottled Vintage Port</b>	19.5%	4.25

		<b>Ramos Pinto, Tawny Port</b>	20%	10 years 5.50
			20 years	9.50
			30 years	11.50
Aged in vat rather than bottle, tawny port sheds its rich red style and becomes a wonderful amber colour with a delicate, warming mellow style. One of the world's finest wines and with chocolate takes on a whole new dimension. We have three different styles, the 10 year old, still firm and rich; the 20 year old which has a silky, rounded character with a smooth finish and the venerable 30 year old, pale in colour with hints of caramel and coffee on the finish.
